

Where may I get a copy of Magnetic Shield's ISO 9001:2008 certification?

World-Class Standard For Quality

In our continuous effort to develop better products and processes that satisfy our customer's needs and expectations, Magnetic Shield Corp. has successfully completed our Quality System Revision in preparation for the ISO 9001:2008 Certification requirements. Magnetic Shield Corporation has implemented the new requirements for this internationally-recognized Standard of Excellence, as confirmed by an independent Registrar.

The ISO 9001:2008 quality management system implemented by Magnetic Shield Corporation applies the eight principles listed below:

- » Customer Focused
- » Strong Leadership
- » Employee Involvement
- » Process Oriented For Activities and Resources
- » Systems Oriented For Interrelated Processes
- » Commitment To Continual Improvement
- » Fact Based Decisions
- » Mutually Beneficial Supplier Relationships

Certification by Perry Johnson Registrars, Inc., provides objective proof that Magnetic Shield has the right policies, procedures, records, technologies, resources and structures to achieve a world-class standard of quality. The company has always had a quality orientation. This latest ISO certification continues to verify that we also have a systematic orientation to properly support that attitude.
